Hi Nathan,

I think I mentioned to you that I would like to have you talk about your research at our next Branch meeting. I am going to be rotating among PIs over the next year. Can you give me a title? Maybe focussing on your poster at the ESRP meeting, or maybe by bringing people up to date in terms of your efforts with the spotted owl? Or a combination?

I plan to have a brief branch meeting starting at 10:30, followed by your talk. Then break for pizza at Pappa's at leaveing by 11:45.

Thanks, Dave
